MEMORANDUM FOR THE RECORD

SUBJECT: Hughes Aircraft Company Technology

1. On 23 September 1975, Dr. Dimitri Theodorou, Senior Scientist for Hughes Aircraft Company, Electro-Optical Division visited PAS/ORD. Dr. Theodorou is interested in circulating some brief descriptions of technology areas which are ongoing efforts in the Electro-Optical Division to potentially interested Agency personnel. These technical descriptions are attached.

2. Dr. Theodorou would be interested in further contacts on any of these matters. He indicated that visits to the Electro-Optical Division (Culver City, California) would be welcome and that in-depth seminars on any of the topics attached could be arranged in Culver City or at an Agency facility if sufficient interest is demonstrated. Dr. Theodorou can be reached at 213-391-0711 x6239.

3. The information contained in these attached technical descriptions should be treated as company proprietary data, and therefore should not be released outside the Agency without the knowledge of Dr. Theodorou.

4. If PAS/ORD can be of any help in arranging contacts or briefings or in any other fashion regarding the attached technical descriptions, please contact [REDACTED] x2375.
